He questioned why the application was accepted when he wasn't qualified at the time. Marcum stated he felt the Council put the Mayor in a bad position by appointing him until 2020 and said he hoped they would change their minds and allow the citizens to vote.

Stanley Bunch- introduced himself as the Executive Director of the First Free Will Baptist Churches. He then expressed he felt serving alcohol in the outside public seating area of the restaurant across the street from his office was a violation of City Code. Bunch said he would like to see action taken to resolve the issue.
