Let's get to know Casey!

Casey has worked with the City of Lebanon for 11 years. Currently, he is a Tech in the City Garage. What he likes most about his job is that no two days are the same. He enjoys working on trucks and special projects!

His favorite thing to do in the Lebanon is go with the family to baseball and football games.

His hobbies and interests outside of work include hunting, fishing, and helping his son with his shooting sports. Casey is also an assistant coach for 15 and under baseball.

City Garage Technician—Casey Henry

The last book Casey read was Louis Lamor.

Casey's advice to his 13-year-old self would be to "Keep your head in the books and learn all you can and save your money!"

While growing up, Casey wanted to be a Park Ranger or a Baseball Player.

If Casey won the lottery he would pay off bills and work on the house.

Watch out! Casey's biggest pet peeve is an unclean vehicle and people with bad attitudes at work. However, if you are looking to get on his good side because maybe you brought in a messy rig for him to work on or you were moody last time you saw him, you can redeem yourself if you bring him his favorite meal, steak and potatoes.
