Veteran's Day Ceremony:

Donna Mason reported that the mayor had reached out to the school about helping with the ceremony but hasn't got a response back yet. She will reach out to the school again to try and get a commitment. She commented that "The Veteran's Song- Stand up for Me" would be a great song to be played and she would also like to get a recording of a helicopter taking off to be played in the background of the dedication. She will write up a program for the Board to look at next time and make any changes to the list of activities and songs that they want. Dean Morrow commented that his back seat pilot Hank Priester would be speaking at the ceremony about the helicopter. Marvin Basnett asked Elliot Wilburn to find out what type of tank is going to be displayed at the memorial so he can get more information about it.
